Updated 7 May 2016

## Current position

---

Marc Lenglet is Lecturer in management, Head of Research Pedagogy, at the European Business School Paris (Management, Strategy, Systems department). With degrees in management and philosophy, he gained experience as a compliance officer in the financial industry before joining the academia. He has developed expertise in fields such as financial regulation, the social studies of finance, business ethics and organization studies. His current research interests focus on the consequences of financial innovation on regulation and the dissemination of norms within practices.

## Education and qualifications

---

- 2015 **Qualification in Management sciences** (French public university assistant professor in management, renewal, n°15206199742), Conseil National des Universités (section 6)
- 2009 **Qualification in Management sciences** (French public university assistant professor in management), Conseil National des Universités (section 6)
- 2008 **PhD in Management sciences** (“Doctorat”), Paris – Dauphine University, Paris  
Title: “Compliance Officer. From the practice of institutions to the institutionalization of practices” (in French). *Recommendation for a thesis award and publication funding*  
PhD Committee: Pr. Isabelle Huault (Supervisor, Paris-Dauphine University)  
Pr. Hélène Rainelli (Referee, IAE de Paris)  
Pr. Romain Laufer (Referee, HEC Paris)  
Pr. Anne Pezet (Paris-Dauphine University)  
Sr. Res. Fabian Muniesa (CNRS, Ecole des Mines de Paris)
- 2004 **MSc in Management** (“Grande Ecole” program), ESSEC Business School, Cergy-Pontoise
- 2003 **MSc in Organizations Management and Public Policy** (“DEA”), Paris X Nanterre University, in collaboration with ESCP-EAP, ESSEC Business School, Ecole des Mines and Ecole Polytechnique, Nanterre
- 2002 **MA in Philosophy** (“DEA”), Paris IV Sorbonne University, Paris

### Other skills

Languages: French (mother), English (fluent), German (intermediary), Russian (beginner)  
IT skills: Database design, implementation and management (Excel, Access), programming (Vba), Nvivo, Endnote, financial software (Bloomberg, Reuters)

## Honours and awards

- 2016 Top 3% profile, Academia.edu (14 February)
- 2015 Finalist (in collaboration with Benjamin Taupin), Best paper award, AIMS conference
- 2013 “Top-Ten Download”, *Social Science Research Network*, September. Section CGN: Statutes & Codes [paper: “Conflicting Codes and Codings: How Algorithmic Trading is Reshaping Financial Regulation”]
- 2010 “Top-Ten Download”, *Social Science Research Network*, June and July. Sections: Behavioural Economics; Capital Markets: market microstructure eJournal; New Institutional Economics eJournal [paper: “The Algo Revolution: Rising Machines and the Coding of Practices”]
- 2010 “Top-Ten Download”, *Social Science Research Network*, June. Section: Other Microeconomics: Asymmetric & Private Information [paper: “Melting the Iceberg, Unveiling Financial Frames: Compliance Officers and the Performance of Norms in Contemporary Financial Markets”]
- 2008 Recommendation for a thesis award and publication funding (further to the PhD defense)

## Professional experience and appointments

---

### *As an academic:*

- 2016 – **Adjunct Lecturer, Edhec Business School, Paris**  
- Teaching activities (graduate programme)
- 2015 **Visiting Scholar, University of Melbourne, Australia**  
- Research visiting at the Faculty of Business and Economics, Department of Management and Marketing (invited by Dr Joeri Mol), December.
- 2013 **Visiting Scholar, University of Melbourne, Australia**  
- Research visiting at the Faculty of Business and Economics, Department of Management and Marketing (invited by Dr Joeri Mol), November-December.
- 2012 – 2014 **Head of Department (Management, Strategy, Systems), EBS Paris**  
*European management school delivering a master (1400 students in 2014-2015)*  
- Management of the MSS Teaching and Research Department  
- Designing, developing and monitoring the department’s programme (learning outcomes, teaching model and contents, and development of indicators for reviews)  
- Monitoring the quality of teaching in the disciplinary field (assuring and enhancing academic quality, promoting innovation, assessment of students)  
- Management of the department’s human resources (6 full-time permanent professors and lecturers, and 36 part-time external teaching instructors: recruiting, monitoring of their activity, faculty qualification).  
- Management of the department’s budget and financial reporting
- 2010 – **Adjunct Lecturer, Paris I Sorbonne University, Paris**  
- Teaching activities (graduate programme) and supervision of master thesis  
- Member of master thesis’ examining committees
- 2010 – 2014 **Adjunct Lecturer, Institut d’Etudes Politiques (‘Sciences Po’), Paris**  
- Teaching activities (undergraduate programme)
- 2009 – **Lecturer in management, EBS Paris**  
- Teaching activities (90 to 150 contact hours per year)  
- Master thesis supervision (approx. 15 per year)  
- Research activities  
- Head of Research Pedagogy and master thesis coordinator (since 2015)  
- Head of Entrepreneurship teaching track (2014-2015)

- Head of Management, Strategy, Systems department (2012-2014)
- Head of Management and Strategy research track (2009-2012)
- Member of master thesis' examining committees
- Member of local committees (Academic counsel since 2013, Program committee since 2012, Assurance of Learning since 2009, Scientific Counsel 2009-2012)

### **As a finance and management practitioner**

- 2014 – **External expert, Nicomak**  
*Consulting firm specializing in ethics, CSR and diversity*
- 2013 – **Treasurer, RSE & Interculturalité - Intercultural Understandings of CSR, Paris**  
*Association gathering researchers, public and private organizations having an interest in social responsibility issues, understood from an intercultural perspective*
- 2011 – **1st Vice-President and Secretary, Forum de la Stratégie d'Entreprise, Paris**  
*Association organizing an annual prize, fostering entrepreneurship in France*
- Developing relationships with 30 French business schools and universities
  - Developing relationships with institutional partners (KPMG, Michael Page International), the Ministry of Economy and Finances, and the Ministry of Higher Education and Research
  - Co-organized the 5<sup>th</sup> edition of the "Prix de la Stratégie d'Entreprise" and "Palme de l'Analyse Stratégique" (2012)
- 2006 – 2009 **Compliance Officer, CA Cheuvreux S.A., Paris**  
*Credit Agricole CIB group broker, 800 employees in 15 countries, 2009 NBI: 145 €mn*
- Enactment and dissemination of rules and regulations within the trading room
  - Advice to market operators, regulatory training
  - Implementation of MiFID regulation (best execution, trade & transaction reporting)
  - Reporting to and communication with regulators (AMF, ACP, FSA, SEC, BaFin, etc.) and market authorities (NYSE Euronext, LSE, ISE, XETRA, etc.)
  - Lobbying within the French AMAFI
  - Member of the New Product Committee
  - Member of the Risk Committee
  - Member of the Compliance Committee

*Credit Agricole group holding, 161,000 employees in 70 countries, 2006 NBI: 16,2€bn*
- Design and implementation of FIDES, an enhanced compliance program (pursuant to a joint-order from French Commission Bancaire [today ACP] and the US Federal Reserve)
  - Project management: design and implementation of a centralized organization to manage regulatory disclosures within 60 countries); implementation of investment procedures and their control over 300 entities
  - Summary of AMF (French FSA) annual and specific compliance (RCSI) reports
  - Drafting of the Crédit Agricole group's Ethics charter
  - Management of Chinese walls (information barriers) and restricted / watch lists
  - Four months mission within Credit Lyonnais Securities in London (Jan.-Apr. 2004).

### **Teaching activities**

---

Hereafter, I mention the different courses I have taught to date (approx. 180 contact hours per year since 2009). I provide the title of the course, together with the institution and the years during which it was taught.

#### **Teaching in executive education (MBA programs)**

- Research methods (12h, in English): EBS Paris (since 2016)

## Teaching at graduate level (master)

### *In Finance programs:*

- Social studies of finance (15h, in English): EBS Paris (since 2011)
- Performance and valuation (3h out of 15h, in English, team-taught): EBS Paris (since 2012)
- Ethics and finance (21h, in French): Paris I Sorbonne University (since 2010)
- Compliance (12h, in French): ESDDES (2010-2013)
- Regulation and compliance in financial markets (15h, in French): EBS Paris (2009-2011)

### *In Management programs:*

- Strategy and business models (15h, in French): EBS Paris (2014-2015)
- Business creation project (30h, in French): EBS Paris (2014-2015)
- Business ethics and compliance (21h, in English): Paris I Sorbonne University (2010-2011)
- Research methods in management sciences (15h, in French and English): EBS Paris (since 2010)
- Corporate social responsibility (15h, in French and English): EBS Paris (2009-2012); Edhec (2016)
- Business ethics in an international context (15h, in French): EBS Paris (2009-2010)

## Teaching at undergraduate level (bachelor)

- Social studies of finance (12h out of 24h, in English, team-taught): Sciences Po Paris (2010-2014)
- Ethics and finance (15h, in English): EBS Paris (2010-2012)
- An introduction to governance and CSR (15h, in French): EBS Paris (2010-2011)

## Master thesis supervision

- EBS Paris: 10 to 15 students per year
- Paris I Sorbonne University: 1 to 5 students per year

## Research Activities

---

### Research interests

Social Studies of Finance; Science and Technology Studies; Regulation and compliance in financial markets; Financial innovation; Corporate Social responsibility; Critical management studies; Anthropology of contemporary markets; Epistemology issues in management studies

### Research impact

## List of intellectual contributions

### A. Research pipeline (\* working papers available upon request)

- (10)\* “How can pragmatic sociology be effective critique? Investigating ‘complex and managerial effects of domination’ in the financial industry”. Paper written with Benjamin Taupin (Lecturer, CNAM). Submitted to an ABS 3 journal, first revise and resubmit received (Feb. 2016).
- (9)\* “Squaring the speed of light? Regulating market access in algorithmic finance”. Paper written with Joeri Mol (Senior Lecturer in Organization Studies, University of Melbourne). Submitted to an ABS 3 / CNRS 2 journal, first revise and resubmit received (May 2016).
- (8) “Cultures of High-Frequency Trading: An introduction to the Special Issue”. Paper written with Ann-Christina Lange (Assistant professor, Copenhagen Business School) and Robert Seyfert (Visiting professor, Europa Universität Viadrina, Frankfurt Oder). Submitted to an ABS 3 / CNRS 2 journal. Under way.
- (7)\* “A sorry state? Financial regulation in an algorithmic age”. Paper written with Joeri Mol (Senior Lecturer in Organization Studies, University of Melbourne). Submitted to an ABS 3 / CNRS 2 journal, currently under review.
- (6)\* “Beyond a functionalist understanding of financial regulation: Tackling issues raised by the Shadow Banking System”. Paper written with Yamina Tadjeddine (Lecturer in Economics, EconomiX, Université Paris-Ouest Nanterre La Défense). Under way.
- (5) “Reintegrating the question of intention back in? Investigating ‘performativity’ and the ‘problem of description’ in the financial industry”. Paper written with Benjamin Taupin (Lecturer, CNAM). Under way.
- (4) “Business models as industry recipes: the case of brokerage on French cash-equity markets”. Paper written with Marie Eyquem-Renault (Lecturer, Ecole Normale Supérieure), Laurence Gialdini (Lecturer in Finance, SKEMA Business School), and Xavier Lecocq (Full Professor of Strategic Management, IAE de l’Université de Lille). Under way.
- (3) “A commodification of responsibility? How the financial industry changes moral values into valuable instruments”. Paper written with Marie-Hélène Bihl (Lecturer, IAE de l’Université de Grenoble), and Laurence Gialdini (Lecturer in Finance, SKEMA Business School). Under way.
- (2) “Shifting actorhood and institutional change in high-altitude mountaineering: Lessons from the ‘Everest brawl’”. Paper written with Philippe Rozin (Lecturer, IAE de l’Université de Lille). Under way.
- (1) “The dark side of liquidity: Shedding light on dark pools’ marketing and market making”. Paper written with Andrea Lagna (University of Erfurt) and Benjamin Wilhelm (University of Erfurt). Under way.
